

Title:	SAFEGUARDING POLICY (protecting children and adults at risk)
Policy statement	<p>Tearfund Netherlands, hereafter referred to as “Tearfund” is committed to promoting the security and wellbeing of the communities we serve, volunteers and staff, and ensuring that children and adults at risk (men and women) are protected from all forms of harm and abuse, and able to live a life with dignity, respect and security. Tearfund refers to its code of conduct (gedragscode) where unacceptable behaviour is clearly mentioned in 1.5. Tearfund has zero tolerance towards all forms of harm and abuse, and seek to ensure that staff and representatives ‘do no harm’ while working for or with Tearfund. Please note that some of the 'linked documents' refer to Tearfund UK documents – because of efficiency, Tearfund Netherlands did not change those documents to a Tearfund Netherlands version. In case of a possible incident Tearfund Netherlands will determine if changes are needed with respect to the Tearfund UK version, in which the determining design principle is that Tearfund Netherlands policies and procedures take precedence over those of Tearfund UK

- upholding the dignity and respect of children and adults at risk;
- taking preventative steps to ensure a safe environment for children and adults at risk;
- responding quickly and appropriately to concerns raised;
- acting with integrity, being transparent and accountable;
- ensuring that all activity is done in the best interest of the child/adults at risk.

Tearfund will proactively encourage a culture where:

- issues and concerns about safeguarding are raised and discussed
- a sense of accountability between staff/representatives can and must challenge potential poor or abusive behavior
- it is mandatory to report abusive allegations or concerns that directly relate to a child or adult at risk
- we provide a safe environment, including online environment, for all people that the organisation engages with.

Any allegation or concern regarding the abuse of a child or adult at risk must be treated seriously. **Reporting concerns regarding the abuse of children or adults at risk is mandatory** and can arise when abusive behaviour is observed or suspected; or when an allegation is made or disclosed or there are indicators (signs and symptoms) of suspected abuse on the victim.

We would strongly encourage that any allegation of abuse or harassment of a sexual nature be reported to safeguarding@tearfund.nl even if the allegation does not involve a child or adult at risk. Specifically:

- If you witness an incident which you believe amounts to abuse, bullying or harassment of a sexual nature, please report it without delay to safeguarding@tearfund.nl
- If an individual, who is not a child or adult at risk, makes a confidential disclosure to you of an allegation of abuse or harassment of a sexual nature, and neither they nor another person is at immediate risk of serious harm, you should only make a report to safeguarding@tearfund.nl with that individual's consent. In this situation, advice and guidance may be sought from safeguarding@tearfund.nl without disclosing the names of individuals affected or other identifying information, and we would encourage you to seek such advice.

There are three types of concerns that can be reported:

- **Category 1** - This concern relates directly to a staff member or representative. Tearfund has a duty of care and will respond by initiating an investigation

	<ul style="list-style-type: none"> • Category 2 - This concern relates to a Tearfund Partner staff member. Tearfund has a partial duty of care and will require the Partner to initiate an investigation, if appropriate, in line with their Safeguarding policy. Tearfund would expect the Partner to share the final report with Tearfund • Category 3 - This concern relates to abuse in a community in which Tearfund or our partner is working. While Tearfund or the partner will not have a formal responsibility to investigate, Tearfund or the partner may have some influence in the community and will pass on information to the relevant local authorities. In each case an assessment should be made of what is in the best interest of the child or adult at risk in relation to reporting the allegation to the authorities. <p>All Safeguarding reported issues are recorded on Tearfund’s Notifiable Risk Register, which is reviewed yearly by Tearfund’s Executive Team and the Audit Risk and Finance Committee. This is to ensure that Safeguarding measures and processes are reviewed and effective. The Safeguarding Focal Point is responsible for the Notifiable Risk Register.</p> <p>We are committed to reporting any incidents to the appropriate regulatory bodies and government departments, as required. Where there is evidence that criminal activity may have taken place we will report to the relevant police and/or child protection authorities of the country where the incident occurred and/or the country of origin of the Subject of Complaint as appropriate, provided that it is in the best interests of the child or adult at risk concerned to do so and taking into consideration their wishes.</p> <p>This policy will be reviewed every year.</p>
